

RESIDENTIAL UNIT OF USE (ALLOCATION) PREQUALIFICATION APPLICATION

The California Tahoe Conservancy Land Bank

The Conservancy acquires properties for the Land Bank Program from willing sellers. Once acquired, the development potential on these properties is retired. The land is restored, and the restoration credits, land coverage, or other rights are stored in the Land Bank, for ultimate conveyance to parcels that are eligible to receive the rights pursuant to Tahoe Regional Planning Agency (TRPA) and local regulations. These rights are available for purchase and transfer to eligible public and private projects on a first-come, first-serve basis.
