

California Tahoe Conservancy
Agenda Item 7a
July 21, 2011

ENVIRONMENTALLY SENSITIVE LANDS

Summary: Staff recommends authorization of \$19,500 plus related closing costs for the purchase of one environmentally sensitive parcel.

Location: Woodvista Subdivision in Placer County (Placer County Assessor Parcel Number 112-160-033) (Attachment 1).

Fiscal Summary: \$19,500 in direct acquisition costs (Proposition 40 funds).

Recommended Action: Adopt Resolution 11-07-01 (Attachment 2).

Background

This staff recommendation constitutes the 134th Environmentally Sensitive Lands recommendation submitted to the Board and includes one proposed acquisition under the Conservancy's Environmentally Sensitive Lands Program.

The Tahoe Regional Planning Agency restricts development on parcels with an Individual Parcel Evaluation System (IPES) score of less than 726. Accordingly, the Conservancy includes such parcels within its definition of environmentally sensitive lands.

Staff has completed a series of activities which are needed in order to evaluate this parcel. Such evaluation ensures conformity with acquisition criteria previously adopted by the Board. These include:

- Contacting landowners to determine their interest in allowing the Conservancy to conduct pre-acquisition activities;
- Verifying the environmental sensitivity of the property, including use of IPES data or Land Capability data;
- Preparing an appraisal, typically by the California Department of General Services, Real Estate Services Division (DGS), or by private appraisers;
- Conducting site management inspections;

- Completing title review;
- Sending inquiry letters to determine landowner interest in selling their property;
and
- Preparing the transaction for Board authorization.

The basic standard of valuation is current fair market value, which is the customary standard applied by public agencies. Under this standard, an appraiser considers all factors that reasonable, prudent, knowledgeable, and willing buyers and sellers would consider. These include such factors as the supply and demand for a specific type of property, the existence of other similar and competitive property, the highest and best use for the land in terms of its zoning and regulatory treatment, and the availability of utilities and other infrastructure at the time of appraisal or within the reasonably foreseeable future.

Project Description

Staff is proposing that the Conservancy expend up to \$19,500 in Proposition 40 funds for one acquisition (Placer County Assessor Parcel Number 112-160-033) under the Environmentally Sensitive Lands Program (Attachment 3).

This parcel proposed for purchase is mapped as Bailey Land Capability Class 5 and is considered substandard because it is located in a portion of the Woodvista subdivision where paved roads and utilities have never been installed. Substandard parcels in such subdivisions are a priority for purchase because, when coupled with existing Conservancy ownership in this roadless area of Woodvista, acquisition can prevent the development of a road and utilities to isolated parcels. In turn, such acquisition provides the greatest opportunity for water quality protection. There are no title issues or management conditions on this parcel.

Project Budget

The proposed acquisition will cost \$19,500 plus typical escrow costs, estimated at \$515.

Project Implementation

If the Board approves the acquisition, staff will provide the landowners with a property acquisition agreement and related escrow documents. Once the acquisition agreement has the necessary State signatures, escrow will be opened and a warrant ordered for the purchase price. It should be noted that DGS has delegated its approval authority to the Conservancy for routine acquisitions such as these that do not exceed \$150,000 per lot

or parcel. Upon satisfaction of all conditions, escrow will close and the proceeds of the sale will be sent to the sellers.

Project Evaluation

The landowners have indicated willingness to sell to the State, and staff is recommending purchase of the parcel. The proposed acquisition substantially complies with adopted pre-acquisition criteria for environmentally sensitive lands (Attachment 4). In staff's opinion, title to the proposed acquisition can be conveyed in an acceptable condition to the State. The Board previously authorized general expenditures for the indirect acquisition costs (i.e., appraisal, appraisal review, escrow services, title insurance, and closing costs) of this and other potential acquisitions.

Consistency with the Conservancy's Enabling Legislation

Implementation of this project is consistent with the Conservancy's enabling legislation. Specifically, Government Code Section 66907 authorizes the Conservancy to "select and acquire real property or interests therein in the name of and on behalf of the state, for the purposes of protecting the natural environment, providing public access or public recreational facilities, preserving wildlife habitat areas, or providing access to or management of acquired lands".

Compliance with the California Environmental Quality Act (CEQA)

Pursuant to CEQA Guidelines (Cal. Code Regs., Title 14, § 15000 et seq.), certain classes of activities are statutorily exempt from CEQA or are exempt because they have been determined by the Secretary for Natural Resources to have no significant effect on the environment. Pursuant to Public Resources Code Section 21082, the Conservancy has also adopted regulations to implement, interpret, and make specific the provisions of CEQA (Cal. Code Regs., Title 14, § 12100 et seq.). Staff has evaluated this project and has found it to be exempt under CEQA. This project qualifies for a categorical exemption under CEQA Guidelines, Section 15325 (transfer of ownership in land in order to preserve open space, habitat, or historical resources). A Notice of Exemption (NOE) has been drafted for the project (Attachment 5). If the Board considers and concurs with the project, staff will file the NOE with the State Clearinghouse pursuant to CEQA Guidelines, Section 15062.

California Tahoe Conservancy
Resolution
11-07-01
Adopted: July 21, 2011

ENVIRONMENTALLY SENSITIVE LANDS

Staff recommends the California Tahoe Conservancy make the following finding based on the accompanying staff report pursuant to Public Resources Code Section 21000 et seq.:

“The California Tahoe Conservancy has evaluated the project and determined it to be categorically exempt from the California Environmental Quality Act (CEQA). The Conservancy hereby directs staff to file a Notice of Exemption for this project with the State Clearinghouse.”

Staff further recommends that the Conservancy adopt the following resolution pursuant to Government Code Section 66907:

“The California Tahoe Conservancy hereby authorizes staff to expend up to \$19,500 and to take all other actions necessary to acquire fee or less-than-fee interest in one environmentally sensitive parcel (Placer County Assessor’s Parcel Number 112-160-033).”

I hereby certify that the foregoing is a true and correct copy of the resolution duly and regularly adopted by the California Tahoe Conservancy at a meeting thereof held on the 21st day of July 2011.

In WITNESS THEREOF, I have hereunto set my hand this 21st day of July 2011.

Patrick Wright
Executive Director

SS Substandard Parcel

** Special Condition column: An "M" in the special conditions column denotes a parcel with a management concern which the landowner is required to correct or remove, prior to close of escrow. Examples include large accumulations of trash, stored vehicles, hazard trees, etc.

ATTACHMENT 4

ENVIRONMENTALLY SENSITIVE LANDS ACQUISITION CRITERIA

California Tahoe Conservancy Criteria for the Evaluation of Environmentally Sensitive Lots in the Lake Tahoe Basin for Possible Acquisition under the Tahoe Conservancy Act of 1984 and the Lake Tahoe Acquisitions Bond Act of 1982 (adopted April 19, 1985; April 18, 1986; May 21, 1987; July 22, 1988; September 23, 1988; February 17, 1989; and September 16, 2005).

The California Tahoe Conservancy has authorized staff to take steps and expend funds necessary to initiate landowner contacts and other pre-acquisition and assessment activities for up to 7,400 undeveloped parcels needed to protect the natural environment in all watersheds on the California side of the Tahoe Basin. Such lots shall be evaluated by staff for possible acquisition pursuant to the following criteria:

- a. the lot or parcel has not been designated or reserved for acquisition by the U.S. Forest Service under the Burton-Santini program;
- b. the landowner(s) has/have indicated a willingness to sell;
- c. the lot or parcel is confirmed to be environmentally sensitive or is needed to protect the natural environment;
- d. title to the lot or parcel can be conveyed in an acceptable condition;
- e. the physical condition of the property is acceptable;
- f. the lot or parcel can be conveyed free of property ownership fees;
- g. the lot or parcel is not subject to easements, rights-of-way, Covenants, Conditions and Restrictions, or other restrictions (excluding deed restrictions of sensitive lands) which render the acquisition unnecessary; and
- h. acquisition of the lot or parcel meets the resource objectives and requirements of the Tahoe Conservancy Act (Government Code Section 66905 et seq.) and the Lake Tahoe Acquisitions Bond Act of 1982 (Government Code Section 66950 et seq.).

Acquisition of eligible lots shall be subject to review and approval by the Conservancy Board and the allocation and availability of funds for this program.

NOTICE OF EXEMPTION

TO: Office of Planning and Research
1400 10th Street, Room 121
Sacramento, CA. 95814

FROM: California Tahoe Conservancy
1061 Third Street
South Lake Tahoe, CA. 96150

Project Title:

Acquisition of one environmentally sensitive parcel

Project Location – Specific:

Placer County Assessor's Parcel Number 112-160-033

Project Location – City:

Unincorporated

Project Location – County:

Placer

Description of Nature, Purpose, and Beneficiaries of Project:

Purchase of fee interest in one environmentally sensitive parcel as part of the California Tahoe Conservancy's acquisition program.

Name of Public Agency Approving Project:

California Tahoe Conservancy (Conservancy meeting of 7/21/2011) (Agenda Item 7a)

Name of Person or Agency Carrying Out Project:

California Tahoe Conservancy

Exempt Status:

- Ministerial (§ 21080 (b)(1); § 15268)
- Declared Emergency (§ 21080 (b)(3); § 15269 (a))
- Emergency Project (§ 21080 (b)(4); § 15269 (b)(c))
- Categorical Exemption. Title 14, Chapter 3, Article 19, § 15325, Class 25.

Reasons Why Project is Exempt:

Action involves the acquisition of environmentally sensitive land by the Conservancy for the purpose of preserving open space in the Lake Tahoe Basin.
