Note: If an environmental document is required for your project, or if an environmental document is required by another agency, then action is required by the Conservancy Board. If there is an existing environmental document, then action is required by the Conservancy Board. The Conservancy holds Board meeting as needed, four to six times per year, and typically on the third Thursday of the month. Please allow an additional three to five months to complete this type of project. Buyer shall pay a \$2,500 fee for transactions requiring a CEQA document, made payable to the California Tahoe Conservancy, in addition to the above referenced standard administrative transaction fee. The CEQA process is separate from, and does not include, the TRPA Environmental Checklist.

I declare under penalty of perjury that all the information contained in this application is true and accurate to the best of my ability and that the property is legally eligible for development and able to receive these rights. I understand that the amount of restoration credit which I propose to purchase is subject to the Conservancy’s Land Bank Program available inventory, and review and approval of the Conservancy and any applicable regulatory agency. I further understand that I will not be able to purchase more than the amount of restoration credit needed for the above project and which can be transferred onto the subject property.
