

ATTACHMENT 6

NOTICE OF DETERMINATION

To:
Office of Planning and Research
1400 10th Street, Room 121
Sacramento, CA 95814

From:
California Tahoe Conservancy
1061 Third Street
South Lake Tahoe, CA 96150

Subject:
Filing of Notice of Determination in compliance with Section 21108 of the Public Resources Code.

Project Title: Country Club Heights Erosion Control Project – Phase 3 (Project)

State Clearinghouse Number: 2020019048

Contact Person: Jen Greenberg

Telephone Number: (530) 543-6060

Project Location:

The Project area is bordered by Elks Club Drive to the south, Waverly Drive to the east, U.S. Highway 50 to the west, and the Upper Truckee River to the north, in El Dorado County (Exhibit A).

Project Description:

The California Tahoe Conservancy (Conservancy) will provide funding to El Dorado County (County) to implement the Project. El Dorado County will: restore a portion of the floodplain by removing historical fill material, treat storm water runoff prior to it reaching the River by removing asphalt and fill to construct an infiltration basin, and improve access for people recreating by constructing a decomposed granite path from the parking lot to the River that complies with the Americans with Disabilities Act (ADA) Standards for Accessible Design. The Project will improve water quality, restore impacted stream environment zone (SEZ) habitat and associated floodplain, and achieve recreation and natural resource objectives.

This is to advise that the Conservancy, acting as a responsible agency, has approved the above described project on 12/10/2020 (Agenda Item 6) and has made the following determinations:

1. The Project will not have a significant effect on the environment.
2. The lead agency, the County, prepared and approved a mitigated negative declaration (MND) on April 7, 2020, and an NOD was filed on April 10, 2020. A copy of the MND is available on the County's website at <https://www.edcgov.us/Government/dot/pages/ceqa.aspx> or upon request. The Conservancy reviewed and considered the MND prepared by the County prior to approving the Project.
3. Mitigation measures were made a condition of the approval of the Project by El Dorado County Board of Supervisors and the Conservancy.
4. A mitigation monitoring and reporting program (MMRP) was adopted for this Project.

Fish and Game Fees: The County paid the California Department of Fish and Wildlife Environmental Filing Fee for this Project. This notice includes a copy of the receipt (Exhibit B).

Date Received for Filing:

Jane Freeman
Acting Executive Director
