

California Tahoe Conservancy
Agenda Item 12
September 21, 2023

SITE TOUR

Summary

A tour of California Tahoe Conservancy (Conservancy) properties and regionally significant recreation sites in north Lake Tahoe will commence at North Tahoe Beach at approximately 11:15 a.m. The tour will highlight priorities for regional recreation, nonmotorized transportation, and restoration and provide an opportunity to discuss land management goals and challenges on Conservancy properties. Attachment 1 provides driving directions and Attachment 2 provides parking and walking instructions for each tour stop. The public is invited to attend the tour (transportation is not provided).
