Project Title: Dennis T. Machida Memorial Greenway – Van Sickle Connector

State Clearinghouse Number: 2006112070

Contact Person: Scott Cecchi

Telephone Number: (530) 208-8323

Project Location:

Van Sickle Bi-State Park in the City of South Lake Tahoe (City), California, on El Dorado County Assessment Numbers 029-240-010 and 029-260-032.

Project Description:

Originally approved in 2011, the Dennis T. Machida Memorial Greenway (formerly the South Tahoe Greenway Shared-Use Trail) is a 3.86-mile separated shared-use trail, portions of which have already been built, that will link Sierra Boulevard in the Sierra Tract neighborhood of the City to Van Sickle Bi-State. The Conservancy prepared an addendum to examine the following minor modifications to the northern approximately 1/3 mile of the Greenway: refinements to the trail alignment between Chonokis Road and the Greenway terminus, changes to boardwalk width and footings, and the replacement of mitigation measure CUL-1 with substitute mitigation measures.

This is to advise that the California Tahoe Conservancy (Conservancy), acting as a lead agency, has approved the above-described project on 6/18/2026 and has made the following determinations regarding the above-described project:

1. The project will not have a significant effect on the environment.
2. The Conservancy reviewed and considered the addendum and the previously adopted Mitigated Negative Declaration pursuant to the provisions of the California Environmental Quality Act.
3. Mitigation measures were made a condition of the approval of the project by the Conservancy.
4. A Mitigation Monitoring and Reporting Program was adopted for this project.

A copy of the Addendum, Mitigated Negative Declaration, and record of project approval is available to the public at [the Conservancy's website](https://tahoe.ca.gov/dennis-machida-memorial-greenway/south-tahoe-greenway-is-mnd/): <https://tahoe.ca.gov/dennis-machida-memorial-greenway/south-tahoe-greenway-is-mnd/>.

Fish and Game Fees: A California Department of Fish and Wildlife Environmental Filing Fee was paid for this project.
